## What is WorldCat?

- WorldCat is the world's largest network of library content and services.
- WorldCat libraries are dedicated to providing access to their resources on the Web, where most people start their search for information.
  - Search many libraries at once for an item and then locate it in a library nearby
  - Find books, music, and videos to check out
  - Find research articles and digital items (like audiobooks) that can be directly viewed or downloaded
  - Link to "Ask a Librarian" and other services at your library
  - Post your review of an item, or contribute factual information about it
