MEMPHIS NEWS AND NOTES:

The Memphis Genealogical Society wishes to express its appreciation to Mrs. Betty Wood Thomas, Editor and Publisher of THE ALABAMA REGISTER, of Tuscaloosa, Alabama, who was the guest speaker at a special meeting in February. Mrs. Thomas' speech was very interesting and well given. She told us in detail where genealogical court records can be found in the Alabama counties. Betty, we thank you, not only for coming to visit us as a speaker, but also for your charming and radiant personality which made your visit one of pure delight.

A big thank you to Lillian Gardiner (Mrs. L. B.) who was our study group hostess in March. It is always a pleasure to study in Mrs. Gardiner's home for she is so gracious in helping our members to use her wonderful library for best research.

Did you know that:

Margaret (Mrs. Willis E.) Ayres is President of the local Society of the Huguenots of Manakin?

Mary Jo (Mrs. H. D.) Sullivan is Regent of the Jamestowne Chapter, Daughters of the American Colonist?

Libby (Mrs. Reginald H.) Tolar, Jr. is Regent of the Fort Assumption Chapter, DAR, and that last month at the State Conference in Chattanooga, Tennessee she was chosen one of the five most outstanding Junior Members of the DAR?

Virginia (Mrs. Harry E.) O'Hara has just returned from a trip to Puerto Rico and St. Thomas in the Virgin Islands?

Plans are well underway for the April 15th night meeting. On that night four of our members will give sketches of their own "Famous Women in American History." Mrs. Bunyan Webb will be program co-ordinator and the speakers will be Mrs. Berry B. Brooks, Mrs. L. D. Bejach, Mrs. L. B. Gardiner and Mrs. Reginald Tolar, Jr. This Society is especially grateful to our members who take part on our programs.

Vacations are beginning and your President is off to Florida this month. Wish I could see all of you down there. Happy vacations where ever you go.

OVER THE EDITOR'S DESK:

Nothing makes an editor as happy as a well stocked file! Our request in January for material to print brought several worthwhile articles to our mailbox. Mrs. William Shackelford of Mt. Pleasant, Tennessee, secured the Maury County, Tennessee, 1811 Tax List for us, and Mr. Walter L. Jordan, Director of Archives, Tennessee State Library and Archives, was most co-operative in regard to our "want list" when called on by our President, Mrs. Standefer, and Mrs. Bejach. The petitions and the Grainger County records came from the Archives.

We try, but do not get every question answered via a personal letter. This is in reply to those members who like to take the issue of ANSEARCHIN' apart and file each article in a separate folder for quick reference. Sometimes an article does not end on the back of the page, and we have been asked why we start another article in that space, thus messing up their system. First, we are much too Scotch to waste a line, if we have something good to use. ANSEARCHIN' could be done in half the time it now takes, but many pages are retyped and respaced several times to make the words fit the page. We love an article that fills an even number of pages, but we feel we must give you, the subscriber, every bit of information we have to print. We have thought of, and have used a few times, reduced print on some articles to make them fit an even number of pages -- many members objected to the fine print! Why not leave your ANSEARCHIN' intact, and put a note in your file of the subject matter and where it can be found?

Several members have objected to BIBLE records, saying they benefit only the one interested in that family. We publish Bible records because we consider them a fast disappearing type of record, and one that should be in print. The WOOTEN-GILL BIBLE used in this issue is a good example.

John Shortridge Treadway and Henrietta J. Brookes were married July 23, 1850.

WOOTEN - GILL BIBLE

Copied January 11, 1963 by Ola Johnson Graham (Mrs. Foreman H.) and Loree Strader Doyle (Mrs. Price).

The Wooten-Gill Bible was offered in an auction sale in Calloway County, Ky., having been acquired in Chicago by a collector who bought old books, letters and various items for re-sale. An article appeared in the local paper (Murray, Ky.) stating one of the oldest Bibles in the county would be for sale. Mrs. Doyle and Mrs. Graham rushed down to ask if they could copy the data in it, since the people named in the Bible were from Tennessee.

The Bible was published in Philadelphia by Hubbard Brothers - no publication date. This Bible was presented to John Wooten.

PETITION OF SUNDRY LADIES OF CANNON COUNTY, TENNESSEE, FOR THE SUPPRESSION  
OF TIPPLING HOUSES - DECEMBER 11, 1837

To the Honorable the General Assembly of the State of Tennessee - - - - -

We, the undersigned of the County of Cannon, beg leave to present to the serious consideration of your honorable body, the imperious necessity of the suppression of the many hundreds of tippling houses, that are exerting their deadly influence through our beloved state. Although we freely concede, it does not become us as females, to even wish to participate in the Councils of the Nation, yet we are confident, Your Honorable Body will allow, that it is not only our right, but our duty, to speak out upon this momentous subject.

Were we not confident that each and every one of your Honorable Body, have witnessed, in your own Districts, the blighting influence of these tippling houses upon the prosperity and happiness of Society, it would be incumbent on us, to present facts and arguments; but, as it is a melancholly fact, Known to all, that these Groceries, Social Halls, Confectionaries, and what ever other false name they may assume, are the unquestionable sources of three fourths of all the crime, wretchedness and misery in our land. Surely our free and sacred Constitution never designed, that any sett of men should thus trample upon the peace, prosperity and happiness of Society.

As the law now stands, it even licenses, and encourages these "places of abomination," and therefore, in our humble conception, incurs the dreadful, yet just, sentence of Sacred Writ, "Cursed is he who puteth the bottle to his neighbor's mouth." For the honor and advancement of our Common Country, and the peace and well being of Society, we humbly pray your honorable Body, to take such steps as you in your wisdom shall deem most effective for the extirpation of this deadly evil from our land, and we shall ever pray.

PETITION FROM THE INHABITANTS OF THE DISTRICT OF MERC\* ASKING THAT A WAY BE  
MADE FOR THE REDUCTION OF THE BILLS OF COST IN LAW PROCEEDINGS - 1806 -

The General Assembly of the State of Tennessee, showing unto you the said assembly your petitioners the Citizens, the inhabitants, of the District of Mero, in the State of Tennessee, that as the Law now is respecting parties condending at Law with each other many ill conveniences and fatal consequences arises to the distress or ruin of many of the Citizens of this state on account of the enormous large amounts of Bills of Cost, that generally falls on the party last. We have instances where there is only one hundred Dollars in dispute; where the cost have been four hundred, and many of the Citizens of this state are deterred from seeking of their just right against oppressors, on account of the great cost attending the same, and we (illegible) that the chief cost in a suit is the witness attendance. For many times there is Eight or ten witnesses attending ten or fifteen days of a court, for five or six courts, on a suit before the cause comes in course of tryal, that poor men are forced away from their families, their farms, their trades - (by a summons) in busy times in the year, for thirty or forty days before the cause comes in course of tryal; and as their allowance for attending barely supports them during the time of their attendance, can figure their time is lost to them, their families, their trades, and farms and we do presume that three fourths of allmost the cost of every suit may be saved to the party cost, and seven Eights of the time witnesses are a loafing may be saved to their farms, their trades, and families.

We your petitioners do pray that it may be Enacted that the Last day of Every court, the Judges of the courts of Law & Equity, the Justices of the county courts and the attorneys of the Plaintiff and the Defendant, -- shall sett the Causes to be tryed the next succeeding Court, each cause to its day, throughout the court -- that no Defendant shall offer to summons any witness until the cause is set for tryal. - - -

that the shereff shall summons the witness to the day of tryal. - - -  
that no witness shall receive more than one days attendance the the usual mileage of a court, except he be commanded to stay Longer by the plaintiff, or defendants, or attorneys on the side he is summoned in, that where any suit is put of(f) on account of not being ready for tryal, that the plaintiff or defendant on whose motion the suit is put off shall pay the cost of witnesses that wait - - - in thus doing you will save three fourths of the greatest part of the suits the cost of the same, and seven Eights of the time people are forced to attend as Witnesses, and the time be spent in their families, their farms, and trades, and the party (?) probably saved from ruin. - - - and we further show unto you that the things aforesaid are justifiable; that Experience shows they may be (?); that it has be a standing Law in the state of Virginia this twelve years; that it has been practyed(?) without much difficulty. - - - -
