THE PRESIDENT'S LETTER

Dear Members,

With this issue, we are ending the administration of your present Board. We feel we have made progress in the further development of The Tennessee Genealogical Society to meet its objectives.

Our membership at the end of 1968 was 796. As of November 10, 1969, we had 877 subscribing members and are very optimistic that we will reach our goal of 900 by the end of the Calendar year, 1969. We have sold in excess of 350 back issues of our publications during the year. The above indicated sales assure that we can end the year financially solvent.

I wish to publicly congratulate Jewel and her staff for the Sesquicentennial Edition of "Ansearchin'" News. They did an excellent job of collecting and assembling information on early Shelby County and West Tennessee.

Our 1969 Seminar was a very informative meeting and apparently thoroughly enjoyed by all in attendance. The instructors did an excellent job in presenting their subjects. Mr. Coddington and Mrs. Livingston made themselves available at all times for personal questions and queries. They knew their subjects and were prepared at all times to assist those in attendance. Thanks Virginia and John. We hope you will visit us again.

We had 79 registered and 62 attended the banquet. Total receipts were \$1,697.55 and expenditures were \$1,464.92 with a net profit of \$232.63. I was disappointed that so many who participated in the last Seminar were unable to attend this year. A project of this magnitude takes many hours in planning and implementing and it is regrettable when the attendance is below expectations. Betty Moore and her committee did an excellent job in planning and conducting the Seminar. Many thanks to each of you for the hours expended and the good job well done.

Our guest speaker for the October night meeting was Mrs. W. O. Harrell, Jackson, Miss. Mrs. Harrell is associated with the Mississippi Archives and gave a very informative presentation on Mississippi records that were available and how they should be used. There were 49 members present which was the largest number we have had at a meeting in several years. Please keep up this type of attendance since it is difficult to obtain good speakers if the attendance is low; and besides, you are missing an opportunity to hear things that will assist you in your research.

Officers were elected at the October meeting for the next two years. They will be installed at our January 1970 meeting. They are: President, William L. Crawford (Bill); Vice-President, Mrs. Rivers Young (Katherine); Treasurer, S. Caya Phillips (Caya); Editor, Mrs. Edwin M. Standefer (Jewel); Associate Editor, Mrs. Henry N. Moore (Betty); Recording Secretary, Mrs. John W. McDonald (Ruth); Librarian, Mrs. Charles R. Gilley (Henrietta); Corresponding Secretary, Mrs. R. S. Wilroy (Erle); Director of Research, Miss Bernice Cole; Director, Four Years, Mrs. Byron G. Hyde (Myrtis); Director, Two Years, Mr. L. B. Gardiner (Laurence).

It has been a pleasure to serve as your president during 1969, and I am looking forward to the next two years.

Sincerely,

Bill Crawford
W. L. Crawford, President

SOME NORTHWEST PIONEER FAMILIES, by Larry H. Hemry (1969), 288 pages, index. Order from Hemry Publications, 112 Broadway, Mount Vernon, Washington 98273. \$7.95.

It may justly be said that this is a sound genealogy. It is matter-of-fact and interesting to read. Those families involved are the Achilles, Ballantyne, Beckwith, Buroker, Harvey, Hemry, Jolly, Purvine, Walker, White and various related families. Each family section is prefaced by a brief account of its earliest history.

DEATH & OBITUARY RECORDS OF WASHINGTON COUNTY, TENNESSEE, compiled by William A. Burns. (Volume I, 1967), 19 pages, \$2.50; (Volume II, 1968), 56 pages, \$5.00; (Volume III, 1969), 50 pages, \$5.00. All indexed. Order from the compiler, Dept. T.G.S., 2721 W. San Miguel, Phoenix, Arizona 85017.

Mr. Burns has gleaned an immense amount of genealogical data from the HERALD and TRIBUNE newspapers published at Jonesboro, Tennessee. There are 1700 obituary notices, with names of families included, covering the years 1869-1902 in the three volumes. These are complete data—not abstracted.

AN INDEX TO CHANGE OF NAME 1760-1901, compiled by W.P.W. Phillimore & Edw. Alex. Fry (London 1905), 357 pages, hard back. Republished (1969) by Gale Research Company, 1400 Book Tower, Detroit, Michigan 48226. \$10.50.

A Bibliography with the entries arranged in one alphabetical list of names adopted and names discarded. Details appear with the adopted name and the name discarded is indexed with a cross reference. The editors give details on the book's arrangement, its contents, abbreviations and sources, along with information necessary to the use of the index. Extensive and impressive sources were used in securing information concerning name changes in Great Britain. Useful to genealogists and research workers in general.

ANNALS OF GEORGIA, Volumes I & II, bound in one volume, abstracted and compiled by Caroline Price Wilson (1928 & 1933), 189 and 173 pages respectively, separately indexed. Reprinted (1969) by Georgia Genealogical Reprints, c/o Rev. Silas Emmett Lucas, Jr., 405 Virginia Way, Vidalia, Georgia 30474. \$15.00.

Marriage bonds and wills from Liberty, Effingham and Screven Counties; marriage records of Bulloch, Camden and Columbia Counties, Georgia, and Duval County, Florida; wills of Alachua County, as well as records of deeds, administration of estates, etc. have been combined to make these statistical records quite valuable to the genealogist. Some 4400 names are listed. Excellent work.

THE HISTORICAL COLLECTIONS, GEORGIA CHAPTERS, DAUGHTERS OF THE AMERICAN REVOLUTION, Volume IV, compiled and edited by Mrs. Lelia Thornton Gentry (1932), 442 pages, index, hard bound. Reprinted (1969) by Georgia Genealogical Reprints. \$15.00.

Births, deaths and marriage entries from 715 family Bibles of early Georgia settlers with over 18,000 names of individuals listed and dates make up this book. Facsimiles of four old Land Lottery Books found in the Baldwin County Courthouse at Milledgeville are included. Another one of the excellent books of the D.A.R.

ABSTRACTS OF OLD NINETY-SIX & ABBEVILLE DISTRICT, SOUTH CAROLINA, compiled by Willie Pauline Young (1950), 683 pages, index. Reprint (1969) by Georgia Genealogical Reprints. \$17.50.

Contains over 30,000 names of persons mentioned in approximately 3500 abstracts of wills, bonds and administrations between 1774 and 1860. Old Ninety-six and Abbeville Districts were the parent counties of: Abbeville, Anderson, Cherokee, Edgefield, Greenwood, Greenville, Laurens, Newberry, Pickens, Oconee, Saluda, Spartanburg and Union Counties. Old Ninety-six District, where many early Georgia settlers made their homes, was on the western border. A well written and sourceful book with much genealogical information.

A GENEALOGICAL COLLECTION OF SOUTH CAROLINA WILLS AND RECORDS, Volume I, compiled by Pauline Young (1955), 248 pages, index. Reprint, (1969) by Georgia Genealogical Reprints. \$12.50.

This volume contains over 460 legal records with names of 3,000 early South Carolina settlers in the districts of York, Pickens, Laurens, Spartanburg, Edgefield and Pendleton whose names appear in wills, deeds, administrations, petitions, etc. An addition to this source book is A BRIEF HISTORY with TOMBSTONE INSCRIPTIONS of OLD LITTLE RIVER CHURCH of ABBEVILLE COUNTY, SOUTH CAROLINA, founded 1791. Subject matter is well written and extensive.

LEAVES OF THE JERNIGAN TREE, by Verna Thomas Jernigan, (1969), 63 pages, index. Coat of Arms on front cover. Mimeographed. Order from the author, P.O. Box 366, Manchester, Tennessee 37355. \$3.00.

Records of Johnston, Wayne, Sampson and Craven Counties, North Carolina and Coffee, Bedford, Cannon and Rutherford Counties, Tennessee have produced an extensive compilation of information, extending from the early to the late 1800s. This is a heart warming story common to the people who moved from the Virginia, Carolina, Georgia Seaboard to the west of the Alleghanies. There is much local color and reference to the way of life during this period of the settlement of Tennessee.

1850 CENSUS OF COFFEE COUNTY, TENNESSEE, transcribed by Deane Porch (1969), 167 pages, index. Soft bound. Order from publisher, Mrs. Clyde Lynch, Route 5, Franklin, Tennessee 37064. \$8.50.

Coffee county was formed in January 1836 from Bedford, Franklin and Warren counties and was organized the following May. Many of the early settlers were from North and South Carolina, Virginia, Georgia and Alabama. Though Coffee is not a large county, it is important because of its location and of the counties from which it was formed. The work is well done.

THE FAMILY OF DANIEL AND MARY McEACHERN OF CARROLL COUNTY, MISSISSIPPI, compiled and edited by Sally Stone Trotter (Mrs. W. C., Jr.), (1969), 64 pages, index. Order from the author, 1276 Kirk Circle, Greenville, Mississippi 38701. \$3.00.

Daniel McEachern, born in Robeson County, North Carolina, 1800, moved to Mississippi before 1812. In 1828, he married Mary McDougal who was born 1811 near Chattanooga, Tennessee. They moved to Mississippi in 1831. Their life is a fascinating story of a successful pioneer family. There are 268 allied surnames. A genealogical treasury for McEachern descendants.

A GLOSSARY OF DIALECTAL PLACE - NOMENCLATURE, by Robert Charles Hope (London 1883), 158 pages. Republished (1969) by Gale Research Company. \$8.50.

This is a standard pronouncing dictionary of English town and village names, the most important rivers and often mispronounced surnames. Anyone who has been fortunate enough to have visited in England knows there are blank areas in communications with our British cousins. Those who plan to visit England should study this book to prepare themselves for the pronunciation shock. It is indeed an excellent and much needed text.

RECORDS and RECORD SEARCHING, by Walter Rye (London 1897), 253 pages, index. Republished 1969, by Gale Research Company. \$9.50.

This book is a must to research intelligently in England. It tells how to compile a pedigree, gives names and locations of the various places of research with maps of the research areas, 61 pages of index and cross indexing. It contains a detailed explanatory chart of the Reading Room of the British Museum, even giving the location of the ladies and mens lavatory and the depository for umbrellas. There is a chart of the Round Room Records Office and one of the Long Room Records Office. One would certainly feel more comfortable entering these huge repositories of ancient records having studied this handy book.

DOORS TO THE PAST, by Bedford County Historical Society, Shelbyville, Tennessee 37160. \$2.25.

This book was published for the Shelbyville, Tennessee Sesquicentennial. It contains 88 pages of pictures and history of 80 very early homes, giving the architectural details, as well as a genealogical sketch of most of the builders and the families living there.

SILHOUETTES FROM WALKING HORSE COUNTRY, by Dick Poplin (1969), 67 pages. Order from the author, Shelbyville, Tennessee 37160. \$1.50.

This is a very amusing and clever little book, but not of a genealogical nature. It will help one to understand the life and times beginning in the early 1900's of Bedford County, Tennessee. Amusing anecdotes make this enjoyable reading.

MISSOURI COUSINS, by A. Maxim Coppage, III (1969), 145 pages, index. Order from the author, 3109 Rio Grande Drive, Antioch, California 94509. \$7.50.

Many people traveling westward chose to settle in Missouri. These caravans, made up of kith and kin, came from many states and thus in time intermarried with other settlers. We find much information as to their migrations, from whence they came, who they married and where they settled. People from fifty counties of Missouri along with some family charts make up the format of this book. You may find YOUR COUSIN here.

1878 YELLOW FEVER EPIDEMIC IN MEMPHIS AND SHELBY COUNTY, TENNESSEE

Contributed by T. P. Hughes, Jr.

The greatest tragedy that has befallen Memphis in its 150 years was the 1878 Yellow Fever Epidemic when 2,770 citizens died. There was an epidemic in 1873 and in 1879 but they weren't as disastrous as the 1878 epidemic.

The names of the dead that follow were taken from the microfilm roll of the State of Tennessee 1876 - 1884 Vital Records, DEATHS, Memphis, Tennessee.
