OVER THE EDITOR'S DESK

Since last we went to press, "Ansearchin'" News has lost two very dear friends and former staff members. Thomas Proctor Hughes, Jr. died 14 Dec 1985, and Jewel Burton Standefer Mooney died 8 Jan 1986. Each had made outstanding contributions to this magazine and The Tennessee Genealogical Society.

Tommy was a consistent contributor of census records and was particularly interested in abstracting biographies of Tennesseans who had moved to Texas. Having returned to his native Texas home, he enlisted the aid of others who have assisted in that pursuit. While he lived in Memphis, he was a familiar figure at the Memphis Public Library, helping beginning genealogists with his vast knowledge of the books to be found there and encouraging experienced researchers who had reached a stone wall. He is remembered here as a true gentleman of the Victorian mold.

Jewel had served TGS as president in 1962 before she became editor of this magazine. She set her goal to increase circulation, and with her boundless energy and dedication, she achieved that goal. She organized frequent trips to court houses within the state, gathering information from old records to be passed on in this magazine. The Sesquicentennial Edition on Shelby County, Tennessee in 1969 is one of her finest achievements in this area.

Tommy and Jewel collaborated in compiling, indexing and publishing records from Virginia and Mississippi. The Hughes and Standefer team published six volumes, and Tommy published four alone. The back stock of these books was contributed to this Society in 1978, and is still listed with our publications for sale. They will continue to remind us all of two true and faithful friends.

FAMILY GATHERINGS

Prepared for publication by Jessie Taylor Webb and Mary Louise Nazor

TALBOT AND BARNES FAMILIES - Contributed by Vyrach Mann, 72 N. Belvedere #2
Memphis, TN 38104

Matthew TALBOT, the second son of immigrant Matthew Talbot and Mary WILLISTON, was born 1729 in Bedford Co VA. In June 1753 he married Mary Haile DAY (1733-1785), widow of Thomas Day and daughter of Nicholas HAILE. In 1778 Matthew took his family to the new territory of Tennessee and settled on the Watauga River where he established Fort Watauga. John SEVIER's men camped at this fort the night before the Battle of King's Mountain. Matthew and his four oldest sons, Haile, Matthew, Thomas and William, fought side-by-side in that battle.

After the death of his wife, Mary, Matthew and his family moved to Wilkes Co GA and then Morgan Co GA where he died in 1812. Their fourth son, William, born in Bedford Co VA 1761, married Mary BAYLEY, daughter of Walter Bayley of Washington Co TN. They had twelve children before he died in 1816. Greenberry Talbot, the eldest son of William and Mary, was born 25 Nov 1791 Wilkes Co GA and died 17 Dec 1875 Calhoun Co AR. He was married first to Mary HUGHES and second to Mary Tate ANTHONY (1795-1885). Greenberry and his family lived in Morgan Co GA, Meriwether Co GA and in 1835 moved to Chambers Co AL and then to Tallapoosa Co AL before moving to Calhoun Co AR in 1870. He brought with him two orphaned grandsons, two widowed daughters and their children, one of whom was Sarah Anderson Talbot, born 1825 GA and died 1884 AR. Sarah married Moses Trimble BARNES who was born 1832 GA and was killed during the Civil War in 1862 at Memphis, TN. His last letter to Sarah from Warenton, Ft. Baranacas dated 4 Mar 1862 follows.

"Dear Sarah: I have to write a few lines to let you know of my whereabouts. I have to say that we have to leave this place for some parts of Tennessee. We will leave this morning for Mobile and from there we will go to Tennessee. The hole regiment is to go. Let this not make you uneasy for me as our time is nearly out and I shant reenlist unless I am ordered to do so. It may be that they will try to press us in to service, if so I can't tell what I shall do, but I shall come home if I can. My health is very good. We are throwing things off the fort tonight. There is a large light in the direction of Mobile tonite, and it is said that it is on fire as they are expecting a fight at that place. There is but one or two regiments here. We have moved everything that is worth anything. I shall have to leave all my clothes here but two suits that I can tote. I have directed them to you in care of John Williamson. You can tell him to look for them. Most have not gone as yet. The news has come that we are ordered to Memphis, Tennessee, so I will close as I have a great deal to do. Goodby my dear until I see you. M.T. Barnes"

The Barnes family Bible has no date but was published in Philadelphia by John H. Stone, Publisher. It shows the marriage of Moses T. Barnes (b GA) to Sarah A. Talbot as 16 Sep 1849. Moses was born 19 Jul 1832 and died 1 Apr 1862. Sarah was born 14 Feb 1825 and died 22 May 1884. Their children, born in Alabama, were:

JAMES GARNER FAMILY BIBLE - Contributed by Judy Montgomery, 350 The Village #110,
Redondo Beach, CA 90277

This is the family Bible of a Benton Co TN family who migrated to Texas in 1870's. The Bible passed to the son, Thomas Parker GARNER and later to his daughter, Feraline Garner GILMORE. At some point, the record pages became separated from the Bible and these pages are now in the possession of Judy Montgomery, the great-granddaughter of Thomas Garner.

James Garner, born 25 Sep 1826 and died 22 Apr 1881, was the son of James Garner Sr., who was born c1801. The family is believed to have been in Benton County since the 1830's and most of the time in the area near Big Sandy. The younger James married 19 Nov 1848 to Elizabeth PARKER, born 12 Jul 1827 and died 27 May 1871. They had the following ten children:

Emily - born 26 Aug 1849
George F. - born 31 Mar 1851
Thomas P. - born 13 Jan 1853
Jesse J. - born 30 May 1857
Louisanna - born 15 Feb 1855
died 9 Nov 1862

Joseph W. - born 20 Sep 1859
Margaret C. - born 14 Mar 1862
Frank C. - born 21 Dec 1864
Simon N. - born 19 Dec 1867
son - born 13 May 1871; died 30 Jul 1871

After Elizabeth died, James married 8 Aug 1872 to Rebecca J. BERRY, born 27 Feb 1848. They migrated to Lampasas Co TX between 1873 and 1875 along with James' brother, Pleasant Garner, his wife Catherine and their children. Some of James' adult children remained in Tennessee but son, Thomas Parker Garner and his wife, Rebecca BEVILL, daughter of Louis and Emily Bevill of Benton Co TN, also went to Texas.

James and Rebecca had three children before she died between 1877 and 1880 who were:

James H. - born 30 Jun 1873
Sarah - born 11 Mar 1875
Florence - born 1 Mar 1877

A small family cemetery on the original land has stones of James, Rebecca and Thomas' wife, Rebecca. The story has been handed down within the family that Thomas engraved by hand the inscription on Rebecca Bevill Garner's stone which is a large, flat naturally formed stone the kind of which lines the banks of nearby Lampasas River.

On 2 Aug 1896 Thomas Garner married Leona Victoria BYRN, born 17 Feb 1864, who was a Big Sandy schoolteacher and the daughter of James Byrn. Thomas had the following children by Leona: Leila M., Jesse P., Walter, Victoria, Effie, Kyle and by Rebecca: Ida, Avvie, Bernice, infant daughter, Feraline, Dorsey. Thomas died in 1939 at age 86 and is buried in Rock Church Cemetery. Their birthdates are in the Bible.

Two other births listed in the Bible are David QUILLIN, born 25 Jul 1813 and Margaret Ann Quillin, born 26 Nov 1830. The contributor states that the Quillins appear to be the family's minister and wife. The 1860 census lists David's occupation as "S. Baptist Clergyman" and he is also shown on the marriage certificate as performing the ceremony for James and Rebecca in 1872. Any other connection has not been determined.

WAR OF 1812 WIDOW'S DECLARATION Perry Co TN 17 May 1851 Letsy Bunch, age 64, states that she is the widow of David Bunch, a private in the 1st Tn Volunteers under Capt. Cutbird HUDSON. He volunteered at Charlotte, Dickson Co TN 22 Sep 1814. She relates that they were married in Dickson Co TN 17 Mar 1812 by Richard NAPIER, J.P. David died 14 Apr 1838. Attesting to signatures were G.W. SHELTON, Pleasant WHITWELL, Clerk and Smith & Jones, attorneys.

Letsy Bunch made another declaration 1 Dec 1854 from Newton Co MO at age 65, in which she states she received 80 acres bounty land #57182 but disposed of it. Added information from the original declaration was that David was discharged at Nashville, TN 14 Apr 1815. Attesting to signatures were James KELLY, J.P., Robert BROCK, Clerk and G.W. WEEMS, J.P. Mary Ann and John H. GRIFFIN witnessed the declaration. Justice Weems relates "The Marriage Records was blown away in the storm when Charlotte Court House was blown down."

WAR OF 1812 WIDOW'S DECLARATION Dickson Co TN 12 May 1871 Nancy TURNER, age 78, states that she is the widow of Howard William Turner who died 14 Mar 1861. He served in Capt. MELTON's company and with Capt. Joseph WILLIAMS. Nancy states that they were married at Charlotte 5 Aug 1813 by Abram CALDWELL at home but that the Court House was destroyed by a storm in 1830. Witnessing her mark were John J. Turner, Owen EDWARDS, acting J.P., and D.R. LEECH. On the front of the pension application it was noted to send to Mrs. Turner in care of William JAMES.

Nancy Turner died 14 Mar 1872. On 2 Dec 1872 James GILMORE, age 70 last October, swore that he lived three miles from the residence of John Turner, a Baptist minister and father of Howard W. Turner, and that his father, James, frequently carried him to the Turner home and mill where he met and played with Howard Turner. Samuel C. Turner, Howard's brother, said one of Howard's sons took the family Bible to Illinois and it "has been lost or mislaid."

James Gilmore relates that Howard Turner was with the mounted men under Gen. COFFEE. On February 1813 they went to Natchez to join Gen. Jackson, but the expedition failed so they were ordered home. Howard and Nancy were married before Sep 1813 when he was ordered to the Creek Nation. Attesting to the signatures were: James T. BUTLER, J.P., A.J. COOKSY, Ebenezer E. ment commanded by Col. John THOMAS. He enlisted in the Spartanburg District under Capt. William SMITH and was discharged at Orangeburg, SC Mar 1782. He hopes to obtain an affidavit of John BLASSINGAME, now living in Alabama, who knows of his service. His wife, Sarah, aged 59 years, and a son, John, age 19 are the only ones at home. This declaration was made to James C. ALDERSOUL, Deputy Clerk for William BARNETT. Members of the Court who heard the declaration were: Benjamin HARDIN, James ELLIOT, James MAY and Thomas LAWSON. Those who made oath as to Beardon's character were: John LAIRD, John B. ARMSTRONG, John Bearden and Britain WILLEFORD as witnessed by German LESTER, Clerk of Court Pulaski, TN.

Letters between William DAVIS in Lawrenceburg, Tn and the War Department Pension Office mentions not only Richard Beardon's application but those of Lewis MARKHAM, Abel WAKEFIELD and Wilson ROGERS.

Richard Beardon at age 76 made another application 6 Jun 1836 from McNairy Co TN in which he states that he was born in Granville Co VA [NC?] on 6 Jul 1760. When he was six or seven his family moved to Mecklenburg Co NC and when he was eleven or twelve they moved to the 96th District South Carolina before it was divided into the District called Spartanburg. After he was discharged from the Army he resided in Spartanburg District for about twenty years. From there he moved to Warren Co KY then Livingston Co KY for two years and on to Giles Co TN for one year. After that he moved to Lauderdale Co AL for four years and back to Wayne Co TN for seven or eight years before moving to McNairy Co where he now lives. Attesting the signature was Benjamin JONES, Clerk.

Those who came to Court to swear to Beardon's character were Francis BEARD, a clergyman; Richard Bearden and James CAMPBELL. Another statement from John HENDERSON and Aaron GAGE relates that they were in the Revolutionary War from South Carolina and fought near Beardon's Regiment and that his story follows the war records of that area. Attesting to these signatures were G.G. ADAMS, S.D. PACE and A.H. BROWN as certified by McNairy County Clerk, Benjamin Jones.

Irene Keller has more information on the Bunch-Beardon lines, but lack of space prevents full coverage in this article, but several generations can be followed through their pension applications.

BRADLEY COUNTY, TENNESSEE TAX LISTS

1837 - 1838 - 1839

Abstracted by Elizabeth Riggins Nichols from
Tennessee State Library & Archives Microfilm, Roll 2

Comparison of the three earliest tax lists of Bradley County could be very beneficial to genealogists and historians alike. Created from Indian Lands in 1836, Bradley County included part of present day Polk County which was cut off in 1839. Names added in the 1838 and 1839 lists could be young men who had just attained majority, or they might be new citizens in the county. Variations in the spelling of names may indicate different tax recorders or clerks, but they also suggest numerous spellings for the researcher. No land tax is listed for 1837 and 1838.

Abbreviations used are: A = Acres, DIST = District, SL - Slaves, P - White Poll.

HENRY CEMETERY, TROUSDALE COUNTY, TENNESSEE

Contributed by Vernon Roddy, 204 Andrews Ave., Hartsville, TN 37074

This cemetery is located on Hawkins Branch of Little Goose Creek five miles northwest of the Courthouse at Hartsville, on a part of "the old Ross Farm" which was owned in 1981 by Bill Parsley. It is about 1.7 miles northwest of Friendship Baptist Church and 1.9 miles west of Willard School (Community Center). It is a large, very old cemetery with at least twelve rows of graves - 55 to 100 graves. It is in bad condition, and most of the markers are broken and scattered, probably desecrated by vandals. Transcriptions were made 28 Dec 1981 and 14 Apr 1984 by Mr. Roddy, assisted by Mr. Jimmy McCall.

Mr. Roddy reports that George F. Keesee Sr. and David Henry lived on adjoining farms in the vicinity of this cemetery, land which was part of Sumner Co TN prior to 1870. The Henrys moved from Iredell Co NC (formerly Rowan) and the Keesees from Pittsylvania Co VA (formerly Halifax) by way of upper South Carolina. Both George Keesee and David Henry served in the Revolutionary War. George was the son of Richard Keesee and Ann Fisk (?). Margaret Henry was the daughter of William Hall who left a will in 1804 in Iredell Co. This information was sent to Mr. Roddy by Mrs. W. R. Eckhardt, Jr. (Una Link) , of Houston TX, in 1975 & 1976. She descends from both families.

BOOK REVIEWS

By Marilyn J. Baugus, Pauline C. Briscoe,
Judy C. Cleveland, Jane C. Hollis, and Wanda C. James

ARE THERE ANY KNOFFS HERE? AN INQUIRY AND SOME ANSWERS by Gerald E. Knoff. Ph.D. 1984. Cloth bound. 9x11. 192 pp. Indexed. \$22.00. Order from the author, 10 Pond View Dr., R.D. 2, East Sandwich, MA 02537.

Termed a commemorative volume by the author, the book's title provides a key to its content. The question there posited eventually becomes almost mystical and leads Dr. Knoff to Bierutow, Poland (formerly Bernstadt, East Prussia) which he concludes is the place of origin of his immigrant American ancestors, Carl Knoff (1798 - 1855) and Christiana Guisler (1802 - 1875). His account of his European odyssey to secure data concerning this couple and their predecessors is an absorbing narrative, especially to those researchers, including this reviewer, who count ancestors of their own among nineteenth century immigrants from East Prussia. Success in documentation is precisely presented and failure frankly acknowledged. Interesting and informative, this thoroughly readable volume purportedly lists every descendant of the immigrant American couple. JCH

EARLY MISSOURIANS AND KIN by Roy Burgess. Soft cover. 6x9. 1984. 362 pp. \$18.95. Order from the author, 25 Grey Oaks Rd., Carmel, NY 10512.

This book contains by the author's count 7100 related individuals evolved from "a nucleus of early Missourians and includes ancestors and descendants, and other kinships extending into the present generations." Mr. Burgess envisions it as a tool for genealogists researching ancestors who lived west of the Mississippi more than a century ago. A major portion of the book is devoted to alphabetical lists of names, each with its particular "serial number." A detailed procedure purportedly guides the reader through several steps leading to compilation of a genealogical chart on any listed individual. JCH

REV. ROBERT ROSE AND REV. CHARLES ROSE OF SCOTLAND AND COLONIAL VIRGINIA compiled by Christine Rose. Cloth bound. 6x9. 1985. 318 pp. Indexed. \$26.50. Order from Rose Family Association, 1474 Montelegre Dr., San Jose, CA 95120.

The Scottish ancestry of the brothers Robert and Charles Rose is skillfully unfolded in Christine Rose's latest work on the Rose family. They came to Virginia in the first half of the eighteenth century and served the clergy in St. Anne's Parish in Essex County, in Cople Parish in Westmoreland County, and in Albemarle County. Their descendants moved across America and settled mainly in New York, Indiana, Tennessee, Maryland, and Texas. The book is carefully documented with an abundance of deeds, wills, church and Bible records, plus a diary. It is further enhanced with charts, maps, portraits, the Rose coat of arms, other illustrations, and a bibliography. Among the many allied names are Allason, Ashton, Baxter, Briggs, Brooke, Cabell, Campbell, Claiborne, Eubanks, Fitzhugh, Fontaine, Garland, Irvin, Hart, Jordan, Madison, Morris, Newman, Nicholson, Pleasants, Potts, Robinson, Selden, Tarent, Taliferro, Turpin, and Walker. HISTORIC CANE RIDGE AND ITS FAMILIES by Lillian Brown Johnson. Hard back. 9x11. 1973. 452 pp. Index, general and pictorial. \$25.00. Order from the author, 307 Mayfield Dr., Smyrna, TN 37167.

Fascinated by the stories her husband told of his ancestors and spurred by his desire to join the Sons of the American Revolution, the author has compiled a tremendous amount of genealogical information on the Johnson family and its relations, as well as many of the other early settlers of Davidson County, Tennessee, and an interesting history of the Cane Ridge Church, center of social, religious, and political activity in the community. A copy of the deed to land for the church on Hurricane Creek in Davidson County is dated 1826. Its records consist of births, deaths, baptisms, marriages, removals, and the various registers of pastors, elders, deacons, and communicants. The book includes public, private, Bible, and cemetery records, family genealogies, and pictures. Some of the allied family names are Adams, Austin, Baker, Boaz, Cannon, Gamble, Hamilton, McAbee, Mullins, Peay, Thompson, Wheeler, and Williamson. The segment, "Autobiography of a Log House," is a beautiful evocation of things past and strongly indicates that the author has the "right stuff" of which great family historians are made. PCB

Book Reviews (continued)

WALKING WITH THE WALKERS by Edward R. Walker III. 1981. Soft cover. 5x9. 113 pp. Indexed. \$10.50 plus 7 3/4% tax in TN. Order from The Overmountain Press, P.O. Box 1261, Johnson City, TN 37601.

This volume bears the hallmarks of an excellent family book--lineage clearly stated, sources noted carefully, discrepancies weighed and evaluated. A "chronicle of the Walker family of Smyth and Wythe Counties in Southwest Virginia," it begins with Charles Walker and Susannah Gannaway in 1793 in Buckingham County, Virginia. The author also traces his other family lines of Bell, Bryant, Cleghorn, Gannaway, and "Carter and allied families of Cocke County, Tennessee." Mr. Walker enlivens his narrative with much anecdotal material apparently collected patiently and recorded in a sensitive, albeit tasteful, manner. This book is for anyone who has ever been afflicted with nostalgia for the rural South of the past century. JCH

OUR FRENCH CANADIAN ANCESTORS, VOLUME THREE by Thomas J. Laforest. 1985. Paper bound. 6x9. 296 pp. Indexed. \$12.00. Order from the LISI PRESS, P.O. Box 1063, Palm Harbor, FL 34273.

From NOS ANCESTRES by Gererd Lebel, this translation is an excellent starting point for those researchers having French-Canadian ancestry. Each of the twenty-four biographies contained in this third volume sketches briefly the origin and history of various French immigrants to Canada during the seventeenth century, listing names of spouses and children of at least one person of each surname. Background material briefly touches on the role of the Catholic Church in Canada during the period and on the origin and development of various French-Canadian family names. Documentation is meticulous, and sketches, maps, and illustrations enliven the whole. If the excellence of the volume-two (reviewed in the winter '85 issue of this publication) and the volume-three translations of NOS ANCESTRES is a harbinger of other translations, we await them eagerly. THE OVERMOUNTAIN MEN EARLY TENNESSEE HISTORY by Pat Alderman. 1970. Hard cover. 7x10. 288 pp. \$16.50. Order from The Overmountain Press, P.O. Box 1261, Johnson City, TN 37601.

Early Tennessee history, this book contains four hundred pictures, maps, and illustrations. The material touches states east of the Mississippi River and many of those westward. It includes pioneers, Indians, battles, politics, and treaties. There is information on overmountain settlements, the first independent government in America, the Revolutionary War, the Cumberland decade, the State of Franklin, and the Southwest Territory. In addition, it contains the Sycamore Shoals Treaty of 1775, the Washington County list of taxables of 1778, and an account of the Battle of King's Mountain with over 1700 names of men who fought there. The wealth of material partially compensates for the lack of an index. PCB

WALLACE A. RAINEY AND JESSIE I. RINGER THEIR ANCESTORS, DESCENDANTS AND ALLIED FAMILIES by Ralph E. Rainey. 1985. Hard back. 9x11. 402 pp. Indexed. \$35.00. Order from the author, Box 296, Carlyle, IL 62231.

This book's data is recorded on ancestor charts and family group sheets reproduced from the Everton Publishers, Inc. The compiler uses the same format throughout, a four-generation chart followed by family group sheets of those individuals included in the previous chart. Documentation requiring more space than allotted on the sheets and charts is interspersed, along with family photographs and other memorabilia, between the relevant charts and sheets. The oldest proven ancestors of the family are William W. Rainey, born in 1805 in South Carolina, and Cynthia Hicks (Hix) who was born in 1811 in Ohio or Tennessee. Further research is in progress and readers are invited to contact the "Rainey Times," Box 7, Walnut Ridge, AR 72476. JCH

TILSON GRIST MILL by Pat Alderman. 1981. Soft cover. 7x10. 48 pp. \$4.00. Order from The Overmountain Press, P.O. Box 1261, Johnson City, TN 37601.

Termed "mountain folklore and genealogy" by its author, this little book focuses on an historic mill now displayed in the Tennessee State Museum. The genealogical portion of the book records the generations of the Unicoi County, Tennessee Tilsons. Three sons of William and Mary Ranson Tilson moved to East Tennessee during the 1790's: William, Peleg I, and Stephen. No specific documentation is given for the genealogical data, but secondary sources and acknowledgments are listed. JCH

LEAVES FROM THE GUM TREE by Muriel Martens Hoffman. 1984. Soft back. 9x11. 560 pp. \$32.50. Order from the author, 1719 C Lake Cliffe Dr., Wheaton, IL 60187.

This collection of Gum family information, presented in a loosely structured format and apparently representing the concerted efforts of many researchers, begins in 1682 with Roger Gum in Delaware. It purports to span 300 years and to trace descendants to the twelfth generation. Primary sources frequently are dealt with at length and often include reproductions of original documents while photographs are limited to one, that of the memorialized ancestor. Cassandra Elizabeth Gum Davis was born in 1817 in Kentucky. A contemporary of Abraham Lincoln, she moved to Illinois at an early age. Many surnames other than Gum are necessarily included in this vast compilation. Unfortunately, lack of an index hampers research in this direction. For those interested in the Gum surname, however, this book must be considered an important source. JCH

HISTORY OF CUBA, TENNESSEE WITH FAMILY ACCOUNTS AND GENEALOGY by Shirley Sigler Chamberlin. 1984. Hard cover. 7x10. 318 pp. Indexed. \$29.00 plus \$2.00 tax, TN residents. Order from the author, 4804 Hallbrook Dr., Millington, TN 38053.

Settled by people from Virginia and North Carolina, Cuba was a bustling town during the period extending from the 1850's to the 1890's. Formerly located north of Memphis, it no longer exists. After ten years of research, the author has fortunately recaptured the ambience of the extinct Cuba. She presents its early history, its families and their marriages, achievements, and calamities, its businesses, churches, schools and cemeteries. The book is well illustrated and contains historical and genealogical data of interest to many researchers. Some of the families who settled there moved west to Texas and California. Some Cuba area surnames are Adams, Alexander, Bond, Branch, Campbell, Chambers, Crain, Durham, Hammontree, Harrell, Hill, Hines, Irby, Jackson, James, Johnson, McClelland, Rankin, Roberts, Scott, Sigler, Stewart, Trotter, Walsh, Ware, Williams, and Yancey. The book lists some early settlers in Cuba. Among them Aaron Jackson was from North Carolina, and Robert Ware was "probably" the first settler. The period of the 1820's is offered as the most likely date of the latter's arrival. JCC

GREASY COVE IN UNICOI COUNTY 1975. 48 pp. \$4.00. All booklets by Pat Alderman. Soft covers. Order each from The Overmountain Press, P.O. Box 1261, Johnson City, TN 37601.

Of primary interest to genealogists are the more than "1600 officers and privates" listed in One Heroic Hour at King's Mountain.

Interwoven in a colorful history of two notable Cherokees are surnames of interest to many genealogists. There is, regrettably, no surname index in the Nancy Ward volume.

A two-page section devoted to sketches of people and places in this East Tennessee area briefly mentions Tilson, Higgins, Harris, Allred, Banner, Bean, Sams, and Moore in Greasy Cove. JCH

SKETCHES OF TENNESSEE'S PIONEER BAPTIST PREACHERS by J.J. Burnett. Hardcover. 6x9. 1919. Reprinted with index 1985. 576 pp. \$21.95. Order from The Overmountain Press, P.O. Box 1261, Johnson City, TN 37601.

With this collection of mini biographies, Dr. Burnett recorded the entry of Baptists into that North Carolina area which later became Tennessee. The book offers a look into the lives of two hundred twelve pioneer Baptist preachers, some of whom fought in the American Revolution. Beginning in 1775, the sketches cover an historically significant period of one hundred years during which time today's East Tennessee was variously called the "Watauga Association," or "a part of North Carolina," or the "State of Franklin," or the "territory of the United States South of the River Ohio." Described by its present day publishers as a reprint of a rare old volume, this book abounds in historical and genealogical data. It is enriched with many photographs, interesting anecdotes, and an appendix of "Curious Documents and Bits and Fragments of Church History. JCC

THE SHEDD FAMILY OF THE SOUTHERN STATES DESCENDED FROM JAMES SHED OF LOUDOUN COUNTY, VIRGINIA by Joel P. Shedd. 1981. Soft back. 8½x11. 212 pp. Indexed. \$15.00. Order from Mrs. Kathleen Shedd Clary, 205 Peter St., Cochran, GA 31014.

Mr. Shedd has written a history of some of the early families of Shad, Shade, Shead, Shed, Shedd, Sheid and Sheed. He adds something of the history of places and times, a part of every family record. Several states and several generations of the descendants of James Shed, whom he places in Loudoun County in 1768, are included. Also listed are Shedd's who were soldiers in the Confederate Army from South Carolina, Georgia, Tennessee, Alabama, Mississippi, Arkansas, Texas, Florida, Virginia, and Kentucky. The book contains more historical background of the areas concerned than many family books. Fourteen pages of reference notes list sources of information presented in the text. MJB

INDEX TO THE SOUTH CAROLINA MAGAZINE OF ANCESTRAL RESEARCH, Volumes I-X, 1973-1982 compiled by Margaret H. Cannon. Cloth. 6x9. 1985. 388 pp. \$35.00. Order from The Reprint Co., P.O. Box 5401, 601 Hillcrest Offices, Spartanburgh, SC 29304

This is an easy-to-use, consolidated index to the first ten volumes of an excellent South Carolina publication featuring primary source material from that state. The prestigious SOUTH CAROLINA MAGAZINE OF ANCESTRAL RESEARCH, edited by Brent Holcomb, C.A.L.S., provides access to numerous and varied South Carolina records. The compiler's claim that this is a straight-forward index is substantiated. Surnames are capitalized; given names appear as sub-entries. Women are indexed under both maiden and married names. According to the compiler, there is no interpretation of the material indexed. The fifty thousand names provided here are of major importance to South Carolina researchers. JCH

HISTORY OF DAVIE COUNTY IN THE FORKS OF THE YADKIN by James W. Wall. 1969. Reprinted 1985. Hard cover. 6x9. 423 pp. Indexed. \$24.00. Order from The Reprint Co., Publishers, P.O. Box 5401, 601 Hillcrest Offices, Spartanburgh, SC 29304

This volume deals with the early history and settlement of Davie County, North Carolina which was formed from Rowan County in December of 1836. Many references point to the parent county of Rowan and to its parent county of Anson. In addition to being a very good county history, it includes some background material on early families of the area, especially those of Squire and Sarah Boone. Some of those families covered here are Booe, Boone, Bryan, Carter, Clement, Fisher, Hairston, Hunt, McGuire, McNeely, Martin, Murphey, Pearson, Smith, Soelle, and Turner. There are many pictures and a map showing the location of the earliest family land grants. MJB

LEONARD SHOUN AND HIS WIFE BARBARA SLEMP OF JOHNSON COUNTY, TENNESSEE AND THEIR DESCENDANTS compiled by Carl B. Neal. 1957. Reprinted with index 1985. 6x9. 274 pp. Soft cover, \$22.00. Hard cover, \$29.00. Additional shipping \$1.50. Order from The Overmountain Press, P.O. Box 1261, Johnson City, TN 37601.

Leonard Shoun came into Johnson County in 1793 with his young wife and little else. Here they made a place for themselves and the eighteen children born to them. Descendants of these children are scattered throughout the United States. In this book they are well researched along with the associated families of Barry, Cole, Donnelly, Dugger, Garland, Harbin, Jenkins, Johnson, Lowe, Loyd, Mast, McEwen, McQueen, Moore-Kiser, Murphey, Slemph, Stout, Vaught, Wagner, Wills, and Wilson. The extensive index prepared by Helen Graybeal Price is a valuable addition to the original edition and contains about 9,000 names. JCC

OCCUPANT ENTRY VOLUME ONE BOOK B SHELBY CO., TENN. by Jean Alexander West. Soft back. 9x11. 1985. 74 pp. Indexed. \$12.50. Order from the author, 3133 Chisca Ave., Memphis, TN 38111.

These abstracts (1826-1841) were, according to Mrs. West, taken from the original survey book and cross-checked with a copy made in 1899. "Many marginal transfers," illegible in the original, were transcribed from the later copy. Separate lists of surveyor/locators and chain carriers are given. The focus of this volume, Survey B, was the result of the first of a series of occupant entry laws permitting the taking up of land in West Tennessee. The process of abstracting records such as these must of necessity be a painstaking one. Plaudits are due Mrs. West for this valuable contribution to Shelby County research. JCC

CERTIFICATES

OF

TENNESSEE ANCESTRY

Let us help you preserve your Tennessee Ancestry.

The Tennessee Genealogical Society has initiated a program designed to aid every person with roots in Tennessee who would like to preserve this record by participating in our TENNESSEE HOMECOMING '86 Celebration.

If you have an ancestor who has lived in Tennessee in the period of time from first settlement through 1880 you are eligible to participate in the Certificate Program. All that is required is simple documentation of each generation from this ancestor to you. Various kinds of documentation may be used: wills, probate records, cemetery records, birth and death records, appropriate census and deed records, etc.; in short, any reliable source records which prove lineal descent from this Tennessee Ancestor.

It is NOT necessary for you to be a member of The Tennessee Genealogical Society, or for you to live, or ever to have lived in Tennessee. It is only necessary that you have a documented ancestor who did. There are three categories:

Prior to Statehood: Pioneer - Certificate of Tennessee Ancestry

1796 to 1850: Settler - Certificate of Tennessee Ancestry

1851 to 1880: Certificate of Tennessee Ancestry

These attractive certificates are 8½ x 11 inches. Printed on a parchment paper with a screened outline of the State of Tennessee and a frontier scene, they are suitable for framing and will make a treasured keepsake.

There will be a \$6.00 fee to offset the expense and administration of this program. Applications and all materials submitted become the property of The Tennessee Genealogical Society.

For application forms and additional information, please send a stamped, self-addressed envelope for each application to:
