OVER THE EDITOR'S DESK

This is the final quarter of this year's volume of The Tennessee Genealogical Magazine, "Ansearchin'" News, and if you have not already renewed your subscription for 1994, it's not too late. In fact, you could use this as a reminder to send your query at the same time. Also, we invite you to send the names of the counties you are most interested in; we can't guarantee that we'll be able to locate unpublished material for you, but we can be guided in what to look for.

In case you're looking for the Pilgrim family, you're in luck; a new publication was recently begun which could help anyone searching throughout the U.S. and Europe for that family. The name is PILGRIMS' PROGRESS; it is published quarterly by Rod Bush, 5892 Karen Ave., Cypress, CA 90630 for \$12.00 per year, beginning in January.

More good news comes for persons interested in Indiana research. The Genealogy Section at Indiana State Library will again be open on Saturdays from 8:30 AM to 4:00 PM except when a legal holiday precedes or follows the Saturday; this is in addition to the regular schedule of Monday-Friday from 8:00 to 4:30 and will continue through May, 1994. For additional information call Cynthia Faunce at (317) 232-3734.

Even if you are working in Indiana, you'll want to be in Texas by June 1, 1994. That is the beginning of the National Genealogical Society Conference In The States, hosted by Clayton Library Friends in Houston, Texas. This year's theme is

"Exploring a Nation of Immigrants - Houston Style"

which could give you an idea of the exceptional opportunities for research to be found in that city. Contact Clayton Library Friends, P.O. Box 271078, Houston, TX 77277 or Chmn. Trevia Wooster Beverly, (713) 864-6862.

It's a big year for Texas, genealogically speaking, because the last week of July is the intensive, weeklong instruction session. Courses for beginners, intermediate and advanced researcher's are supplemented by those on specialized areas, such as migration, military records, advanced problem solving, and land platting and analysis. Students will choose one course and attend 18 lectures on that topic throughout the week. Class size is limited in order to emphasize hands-on instructional techniques with extensive class/instructor interaction. Lecturers are nationally respected genealogical instructors and scholars. For further information write Genealogical Institute of Texas, P.O. 799004-Box 118, Dallas, TX 75379, or phone (214) 233-9248.

We have received additional information from Neil D. Thompson, 5000 Rock River Drive, Fort Worth, TX 76103, author of The Family of Bartholomew Stoval, Volume I (reviewed in our last issue) that Volume II will be completed in 1994 and is included in the price of \$25.00, which was quoted in the review. Write Mr. Thompson for any further information.

BEST WISHES FOR A YEAR FILLED WITH PEACE AND JOY
AND SUCCESSFUL ANCESTOR HUNTING!

THE COVINGTON LEADER, JULY 6, 1894 - Submitted by Bettie Brandon Davis, Rt #1,
Box 109A, Halls, TN 38040

An original copy of this Tipton County, Tenn. newspaper, now yellowed with age, proclaims that the LEADER is the "Only All-Home-Print Paper in Tipton Co." B.A. MONTGOMERY, J.W. SIMONTON, and A.P. TAYLOR were the Editors and Publishers. Under its masthead it publishes the Democratic Ticket, listing the following men for Supreme Court Judges:

D.L. SNODGRASS of Hamilton (County)	
W.C. CALDWELL of Gibson	John S. WILKES of Giles

Chief DAVIS of Memphis and his son, Charlie, were guests of J.F. BENTON in Atoka. A crowd of fishermen from Idaville spent an evening at RUNBRO-McREE pond. Mr. Andrew McLAUGHLIN attracted attention with his long string of fish.

Family Gatherings (continued)

Due to the lack of an 1890 census, it seems worth while to include in this abstract names of people who were mentioned in any way, however, names associated with advertising businesses and political tickets may be omitted.

A column titled "County Court Proceedings", yields the following facts taken from the court minutes: A.J. FITE resigned as Constable of the sixth Distict; William WHITSON, Marion BRAGG and James HUDSON were released from poll tax and road duty; Capt. C.B. SIMONTON, on behalf of the Confederate Monument Assn., was granted permission to erect the Confederate monument in the courthouse yard; on the application of N.W. BAPTIST, \$100, was appropriated for preparing the grounds for said monument; J.F. DICKSON filed the report of the Board of Equalization; "Poorhouse Commissioners were ordered to secure board outside of the poorhouse for Zaney BRAGG, also Edward DAVIS another blind pauper..." Other citizens involved in the county's business were L.W. HAMILTON, E.O. WILLIAMS, C.C. ANDERSON and L. HILL.

On the third page of the Leader is a column called "Here and There", a collection of miscellaneous items, alternating with one-line ads. Prof. J.C. GREEN will open his school at Tabernacle next Monday. Enos SMITH of the Mt. Carmel neighborhood entertained Mr. John RICHARDSON of Memphis on Wednesday. Others mentioned are: Maj. C.C. PARTEE of Lauderdale County; Will FISHER, a negro living on Centennial Island; John R. SLOAN; John COTHRAN of Braden and W.I. Smith of the Eighth Dist.; C.N. and C.E. McFADDEN and families, R.B. and W.A. OWEN and families and C.L. FORTNER; Assessor S.S. HURT; J.J. STONE; J.M. WOODRUFF of Henning.

Several obituaries and marriages are tucked between the other items of this column. James BYFORD of Island #35 died "Tuesday evening of last week and was buried at Poplar Grove Wednesday evening. He was about fifty-four years of age. Mrs. Parthenia SHEPPARD, mother of Dr. J.J. MOORE, died at her home in Columbia, Tenn., on Monday. She was in her eighty-eighth year. Martha, aged ten or twelve, daughter of Esq. Aleck WRIGHT died Wednesday and was buried at Mt. Carmel. A fisherman named RADDLER, who had recently moved from Chicago and lived near the mouth of Indian Creek, "died last Friday night" from blood poisoning. Young Lewis SIMS, of the Fifteenth Dist., drowned in Hatchie River near Simpson's Ferry on Sunday morning.

Marriage licenses "issued since our last report" include: White - W.H. PARAMORE and Lavinia MILIGAN, L.L. McINTOSH and Rhoda R. WILCUT, F.O. GIFFORD and Beulah ARCHER; Colored - William DYSON and Lula LIGON, William DYE and Lizzie BRENT, Horace TIPTON and Ellen WHITLEY, Dudley BAILEY and Lelia THOMAS.

"Joseph W. DENNIS and Miss Flora M. OGLESBY of Walt, Tipton County, Tenn. had their cup of happiness filled yesterday by Squire M.T. GARVIN...Tuesday's Commercial Appeal." Squire S.K. DRUMMONDS performed the marriage of L.L. McINTOSH and Mrs. Rhoda R. WILCUT "on Tuesday morning last week" and on the same evening joined W.H. PARAMORE and Miss Lavinia MILIGAN "for better or for worse" at the home of her father Mr. John Miligan. On Thursday, Squire Drummonds united W.C. CORBITT and Mrs. Frances NOVAY. Corbitt moved to Tipton County "about three years ago" from Iowa, and his wife is from Shelby County. Squire W.C. EXUM also performs weddings, but none are listed here.

One item in the "Here and There" column is a birth announcement. "Mr. & Mrs. J.A. FAULK, of the Clopton neighborhood, were lately blessed with a son that bids fair to rival the famous Gen. Tom THUMB in point of size. He was eight days old last Monday and only weighed three and a half pounds, but was reported to be getting along nicely."

Family Gatherings (continued)

A severe Windstorm damaged many buildings and trees across the entire county, especially at the home of C.P. NOEL, a mile west of Covington...E.W. SMITH, Sid MOODY and J.M. McCRORY "left with their string of horses to take in the Illinois and Missouri circuits." Other persons mentioned are: Mr. Jack HURT, of the Fifth Dist., who was in town for the first time in sixteen years; Mr. J.B. BERGMANN, who has opened a bakery; Ben RUDD, who was on trial in a suit brought by George MYERS.

"The old Seminary sustained its old-time place at the head of the column in the recent examination for public school teachers. Miss Belle BAPTIST stood highest, with an average of 93..." Others named are Miss Maude BELL of Tabernacle, Miss Mary Ellen WHITTEN, Miss Daisy CAMPBELL, Miss Susie BIBB of Munford, Miss Carrie NELSON of Idaville.

"More excavations made on Capt. W.G. PAYNE's farm near MORGAN's landing have resulted in the finding of a still more interesting Indian relic than those we reported last week. The relic...has been added to the other collection in Capt. Payne's store. It is an Indian pipe and is made of clay, which is almost as hard as iron. A well carved figure in a sitting posture holds the pipe bowl, which would hold about a handful of tobacco on its lap...The work on the figure is nicely finished and resembles greatly old Egyptian carvings."

A column entitled "Late Locals" mentions the following persons: John T. MORGAN of the Third Dist.; Mrs. Jacob LOWENHAUPT; W.D. and Peyton J. SMITH; J.B. HAMILTON, Palmer Smith, Walter and Jimmie SANFORD, and Clint BARRETT; H.S. YOUNG and Robert W. Sanford.

A report from the Examining Committee of the Normal School showed that eighty teachers were present, and that seventy-one applied for license. "Misses Belle BAPTIST, Susie BIBB, E.H. McFADDEN, Vivian POINDEXTER, Maggie McDILL, Cassie ADAMS, Mary E. WHITTEN, Maude BELL, M.S. RUSSELL, Carrie NELSON, and Daisy CAMPBELL secured first grades upon standing the examination. First grades to the number of twenty-four were issued to the committeemen and teachers of consolidated schools, making thirty-five first grades in all."

"Eleven second-grades were issued to the persons named below: Misses Emma BANKS, Annie STRONG, Jennie BAIRD, Hester McBRIDE, Mattie TURNAGE, Sallie BROWNE, Maude KING, May MARSH, Lora McCLUNEY, B.F. MEACHAM, and L.A. STREET."

"Those who secured third grades are as follows: Misses Kitty LANIER, M.B. HAYNIE, Corrie BAIRD, Maggie VAUGHN, Laura PORTIS, Florence WATKINS, Ella MOORE, Corrie THOMPSON, N.S. SIEGFRIED, W.N. FORTNER and Chas.(sic) McCLELLAND."

"The committeemen, R.B. BAPTIST and G.W. RAY, and Misses Jean GREEN, Dawsie RICHARDSON, Edith DEWESE, and Johnnie TURNAGE, with Mr. ARMSTRONG, were granted first-grade license. The number who entered the examination and made certificates were: Eleven for first grade, eleven for second grade, and eleven for third grade. The others were issued as above mentioned."

Another article, "Colored Normal and Examination", gives resolutions passed and teachers who secured certificates. The examining committee were Profs. J.N. FRAZIER, Emanuel ALSTON, E.W. WEBB, G. FIELDS, W.T. DUNN and Agnes E. STEPHENS. The successful applicants were Bessie L. HILL, Annie L. BROWN, Cecilia C. KENNEDY, Louise J. MADDOX, Lizzie D. TAYLOR, John BOYLAND, Georgia A. A second letter from C. B. Jester to Grand Father Nimrod Jester thanks him for his love and care for him when he was a child. It expresses the wish that he could be able to care for Grand Father in his old age, but the distance between them is too great.

The letter tells of the spread of typhoid fever..."three young men died in one family in less than 2 weaks." The Jester family was giving thanks to God for keeping their family safe from its ravages. The letter, which spoke of correspondence with "Uncle James", closed with expression of love and respect to Grand Father and "to all the connexion"; it was addressed to Mr. James Jester, Indiana, Wayne county, Williamsburg Post Office.

Family Gatherings (continued)

Research on Nimrod Jester reveals that he was born 15 Oct 1762 in Delaware, lived in Guilford Co, NC when he enlisted in the Revolutionary War 12 Apr 1780, and on 29 Aug 1832 in Green Twp, Wayne Co, IN, he received a pension on his claim W27599 from NC. Two known sons, James and Ebenezer, were born to Nimrod and his first wife in North Carolina. James was born in 1795, but no date is given for Ebenezer. In 1841, Nimrod married Mary BISHOP, the daughter of Benjamin and Ann HAWKINS Bishop, natives of New Jersey. Nimrod Jester died 8 Oct 1854 in Williamsburg, Wayne Co. IN.

Nimrod's son James JESTER born 1795 in NC, may have married first a Miss NICHOLSON, if the "Uncle John Nicholson" mentioned in A.J.'s letter were a true uncle. Their three children were:

Aaron Jester, who married Phebe REYNOLDS 23 Dec 1849;

Ebenezer Jester, who married Nancy BYRD 18 Oct 1849;

John Jester, who married Irene BALDWIN 28 Jan 1860;

Nimrod's son, Ebenezer Jester of Guilford Co. NC, was issued a marriage license on 10 Nov 1813 to marry Rebach Blanend. By 1840 the family was in Madison Co. TN and listed in the census with Ebenezer as the father, 2 minor sons, 1 male aged 20-30 and 4 minor females. The mother was deceased prior to 1840 (c1836) and by 16 Mar 1841, Ebenezer was deceased and Charles Jester was appointed Administrator of his father's estate. Four minor children of Ebenezer lived with Charles after their father died: Andrew (A.J.) b 1821; Tryphena b 1829; and James b 1831, all born in North Carolina; and Jane b 1834 in TN. The following marriages were listed for Ebenezer's children: Charles (C.B.) Jester married Maria P. SANDERS b c1829; Triphenia m John WATT 2 Sept 1851; Andrew J. m Elizabeth MADISON 17 Sept 1851 in Gibson Co. TN; Elizabeth m Ephriam WALKER as recorded in the 1850 Census of Gibson Co. TN; Margaret Jester m John LOWDEN; James Jester m Mary Ann DAVIS on 1 Jan 1854; Callie (Jane?) Jester m Robert GATES according to 1850 Census of Madison Co.

Records from the Confederate forces indicate that A.J. Jester was a Pvt in Co C, NEWSOM's Regiment, Tennessee Cavalry, Company Muster Roll from 5/10/64 to 6/30/64. He enlisted 28 March 186- in Bolivar, TN, and appears on a report of prisoners paroled at Jackson. TN for the month of May 1865.

On the 15th of October 1955, a DAR Marker was placed on the grave of Nimrod Jester as a memorial to his service in the Revolutionary War. Having enlisted in 1780, he served as a Private three months in Capt. John McDON's North Carolina Company, then was a Private in Captain John GILLESPIE's Company of Light Horse of Col. Daniel Gillespie's North Carolina Regiment, and was in several skirmishes. Late in 1780 he served two months in Capt. PHILLIP's N.C. Co. He reenlisted in October or November 1781 and served one month in Capt. Salathiel MARTIN's N.C. Co. He enlisted in 1782 and served one year as a Private in Capt. Charles GORDON's Co., Col. ARMSTRONG's N.C. Regiment. He was in the engagement at "Bettuses Bridges" where he was wounded in his left leg by a buckshot. He guarded prisoners at Salisbury N.C. for three months under Major Armstrong, no dates given. He died 8 Oct 1854, at Williamsburg, Wayne Co. Indiana. He is buried at Mt. Zion Cemetery there.

His widow, Mary BISHOP Jester was allowed a pension on her application of March 27, 1873, at age 80, while a resident of Williamsburg, IN. Nimrod had also been allowed a pension on his application of Aug 29, 1832, while he was a resident of Williamsburg, Wayne Co. Indiana.

ROANE COUNTY, TENNESSEE COURT MINUTES
VOLUME A, Dec 1801 - Jun 1805
*Abstracted from Tennessee State Library and
Archives Microfilm*

The early minute books of Court Sessions are sometimes quite difficult to read because they were written with quill pens dipped in home made inks. While some permanship is clearly legible, much of it is either over embellished or under-defined, and the change of style in letter formations certainly adds to the confusion. At times, one must know the person's name to be able to decipher the flourishes, and all possible spellings must be considered. However, the wealth of information gleaned from Court Minutes makes them worth the effort expended. Not only do we find names of residents, and sometimes of their family members, but also do we find a way of life which is pictured by their actions. The written names become individuals with robust personalities when we read of their tempers, followed by forgiveness, and their determination to bring law and order to the wilderness. Quaint words, colloquialisms and legal phrases sometimes make the meaning obscure, but with perseverance, the reader can get the general idea.

The minutes of Roane County Court of Pleas and Quarter Sessions have been abstracted to save space, but it is hoped that something of the spirit of the times remains as a background for the names of our ancestors.

UNDATED PETITIONS TO THE TENNESSEE GENERAL ASSEMBLY

Submitted by Charles C. Yates & Mary Louise Nazor

When Tennessee gained statehood in 1796, the General Assembly held its sessions in Knoxville. The new constitution directed that it should meet on the odd-numbered years, but that it could be called in session by the governor at other times. The location of the meetings, however, was not specified. The assembly continued to meet in Knoxville through the first session of the ninth general assembly in 1811, but afterwards alternated between Nashville, Murfreesboro and Knoxville.

Petitions, which were the voice of citizens-at-large across the state, were presented to the state Senate and were usually dated and geographically identified. The original papers are preserved in the Tennessee State Library and Archives and have been microfilmed. Abstracts of the earliest ones have appeared as a series in this magazine since 1985, Vol. 32, No.1.

However, many original petitions were not identified or dated; they are filed in boxes marked "Undated Petitions" and located in the state archives. Photocopies of selected documents were used for these data. Not all petitions were copied - only those that seemed to be the oldest and most significant for genealogical research.

No.1 - "To the members of the Legislature...in session at Murfreesboro, your Petitioners Humbly Sheweth that John Potter is desirous of making a Mill Dam across the South Sluce of the river French Broad opposite to Humstom Island..." During the seven years that the General Assembly met at Murfreesboro, a second session was called on the even-numbered years. The Petitioners must have submitted this petition during the time period from 1819 through 1825. As the French Broad River flows entirely within the County of Cocke once it crosses the border from North Carolina, these petitioners must have lived in that county.

No.2 - These petitioners of Lauderdale County state that the Legislature has been asked to pass a bill to allow Isaac Brackin to collect a duty of one dollar per ton for all freight passing up and down the Forked Deer River. The money would be used to remove obstructions in the river. However, they "consider the passage of such a bill will be an injury of the utmost magnitude for the people in general... obstructions that are now in the river which are very few; if the water was only high enough Steam Boats or any other kind of Boats might freely pass up or down..." The original petition must have been successful as an act was passed on November 29, 1859; however, the authorization was for Isaac Bracken. This petition must have been submitted after 1850 and prior to 1859 as many of the petitioners are listed in the 1850 census, and a significant number are listed in the 1860 census.

No.3 - "We the under assigners petition of the honourable asembly of the State of Tennisee for to make some provisions for the schooling of those poor Fatherless children at the expence of the State, whose Fathers have fell either by the sword or by sickness in the late struggle for the mintamine of the writes and liberties of the Nation." Many of the names on this petition are listed on the 1820 census of Smith County, Tennessee. It is highly probable that the "Fatherless children" were a result of the War of 1812 or the Indian battles that followed the War.

No.4 - To the General Assembly convened at Murfreesborough. "We your Petitioners, citizens of Haywood County, represent...that the tax of this county was collected by Madison County for the last two years, it being attached to Madison before it was organized." They wish this tax money to be repaid. The Petitioners further represent "that by an Act passed in 1821 for the organization of Henry, Madison, Carroll, and others, your honorable body passed an Act regulating Sd. County seats, specifying that four acres should be laid off in each Public Square ...and as we consider four acres too large...we solicit (you) to repeal the Act and amend the Law to authorize County Commissioners to fix the size of the Public Square." Also, they request a law directing the President and Directors of the Bank of the State of Tennessee to appoint an agent for said county.

As the General Assembly met every year while convening at Murfreesborough from 1819 through 1825, and the petition refers to an Act of 1821, this petition must have been submitted between 22 July 1822 and 7 December 1825.

No.5 - In this instance Petitioners request a change in the county line between Roane and Rhea counties. They now live in Rhea, but want the line to run so as to include Samuel Baker and Joseph Mee in Roane County. The line now leaves a small strip of land on the bank of the Tennessee River from a quarter to a half-mile wide for about two or three miles and leaves about twenty families on that strip. It would be much handier to be in Roane so they can have a school district. This petition was probably submitted about 1830 as a significant number of the petitioners lived in Rhea County according to the census of that year.

No.6 - To the General Assembly now in session at Murfreesborough, Petitioners residing in that part of the State south of Tennessee River lately acquired of the Cherokees "comely known by the name of Hewassee puches (purchase) that sometime after Jackson's treaty we were invited by our govenor to settle this country and a number of us purchased leases of him and made considerable improvements on the lands with a belief that it was not the intention of our government to oppress us and take our labor for nothing, but in the year 1819 the legislature...passed a law authorizing the treasurer of East Tennessee to expose said land to sale and not taking in to view our situation there was not any pervison in the law for the relief of said settlers." Few could purchase at the sale; but needing shelter and being unable to rent land, they were forced to move their families and settle whatever vacant land they could find. They expressed a need to open an Entry Office and to allow time for said settlers to enter land and/or be allowed pay for improvements.

This Petition was submitted after 1819 as reference is made to an Act of the Legislature in that year. Since the General Assembly did not meet in Murfreesborough after 1826, the Petition would have to have been submitted prior to that date.

SOME SOUTHERN BALLS by Donna Rachel Mills, MA, CGRS. 1993. Hardback, 6x9, 325 pp. Full name index. Order from Mills Historical Press, P.O. Box 618462, Orlando, FL 32861-8462. \$35.00 plus \$2.50 shipping.

Based on the work of five southern genealogists, this eight generation account of the Ball family traces descendants of Henry Ball through his son, Valentine, and his wife, Susanna Lewis, from Virginia to Texas. The joining of the Ball family with the Acadian Doucet family, who had moved to Louisiana after the British forced them from Quebec, is traced. Related families include Bowman, Curtis, Edmonds, Hansbrough, Hargrove, Hughes, Jopling, Lewis, Loving, Burrus, Hickman, Hook, LaCombe, LeJeune, Link, Martin, Miller, Pellerin and Young. The text is completed with excerpts from documents, maps, and sketches. Footnotes demonstrate the extent of the research.

The greater part of this book consists of descriptions and maps of individual grants made under the Treaty of 27 February 1819. A map illustrating Indian treaties in Tennessee is included. The Cherokee who received one of these grants was required by law to become an American citizen. This ended the Cherokee title to most Tennessee land. The source for this book is a copy of Armstrong's survey book of Cherokee lands in the Chattanooga Bicentennial Library.

This copy was taken from the original book, borrowed from a private library, and makes available material which has not been a part of public records. A chart of Indian treaties and a map of east Tennessee are included among the illustrations. The entries illustrate life on the frontier on an individual level. Brief biographies of Colonel Meigs and Major William Lewis Lovely are included, as well as information on Fort Southwest Point and the Tellico Block House.

In 1837, at the request of the House of Representatives, Governor Newton Cannon of Tennessee called up militia from counties on either side of the Cumberland Plateau for a Muster Call at either Fayetteville, Lincoln County or at Athens, McMinn County. The counties included were Jackson, Overton, Anderson, Bedford, Warren, Rutherford, Sumner, & Franklin. These lists have not been edited but are presented as they appear, a list of the men who answered the call.

LONG AGO in LUNENBURG on Stony Creek of the Meharrin by June Banks Evans. 1993. Hardback, 6x9, 141 pp. Full name index. Order from Author, Bryn Ffyliaid Publications, 300 Lake Marina Drive, 16 B West, New Orleans, LA 70124-1679. \$30.50, LA residents 4% tax.

A research project which began as a brief history of an old farm house grew into a documented history of five contiguous 18th century land grants on the lower Stony Creek in present day Lunenburg County, Virginia. Six families: Callis, Elder, Fisher, Hudgins, Mize, Steagall are traced in detail. Deeds, inventories, estate accounts, wills, land-tax charges, tithables lists, court orders, and census data are used to reconstruct the chronology of these families. Map and photographs are used to illustrate the text. Related families are: Allen, Bailey, Blackwell, Bottom, Bowen, Chambliss, Davis, Dicks, Denton, Edmunds, Evans, Gee, Hardy, Hawthorne, Hicks, Hines, Hite, Hudson, Ingram, Jarratt, Jones, Moore, Morris, Parker, Pennington, Rash, Rudder, Smith, Sturdivant, Taylor, Thompson, Turner, Vaughan, Walker, Williams, Wray, and Wright.

DIRECTORY OF SCOTTISH SETTLERS IN NORTH AMERICA, 1625-1825 Vol. VII by Davis Dobson. 1993. Hardback, 6x9, 121 pp. Order from Genealogical Publishing Co., Inc., 1001 North Calvert St., Baltimore, Maryland 21202. \$17.50.

After the publication of the sixth and final volume of this series, enough additional material became available to warrant an additional volume. Earlier volumes contained data from specific sources, such as passenger lists. For this new one, the sources are varied: church records, published books, manuscripts, probate records, gravestone inscriptions, and public records. Arranged alphabetically, the 2,000 entries refer to Scots who emigrated to North America. Individual entries may contain varying items of information, such as names of parents, birth date, death date, place of residence, name of spouse, or occupation.

BLED SOE COUNTY, TENNESSEE, A HISTORY by Elizabeth Parham Robnett. 1993. Hardback, 6x9, 282 pp. Full name index. Order from Mountain Press, P.O. Box 400, Signal Mountain, Tennessee 37377-0400. \$28.50 plus \$2.50 p&h.

While teaching history at Bledsoe County High School, the author found that her students were interested in local history, but little written material was available. This county history grew in response to their interest. After a brief description of the geography of the county, the early settlers are identified. Other subjects covered are agriculture, population, Bledsoe Countians in Tennessee history, churches and education. Of especial interest to the genealogists are the many names of local citizens which are included. Pictures, maps, and lists of various groups are provided. The appendix contains a list of important dates in local history, names of those who served in the military in the 19th century, and information on presidential voting in the county.

VANOCATEN Farley-Reid Genealogy by William S. Farley. 1993. Hardback, 8x11, 500 pp. Full name index. Order from Author, 6592 E. Jackson Ct., Highlands Ranch, CO 80126. \$45.00 plus \$3.75 p&h. Colorado residents add \$1.52 sales tax.

Using the abbreviations of three states to coin a word, Mr. Farley titled his work to reflect his geographical roots. The Reid and Farley families are traced from Virginia to West Tennessee. The book is divided into three parts; the first deals with the early history of Virginia and with North Carolina after the Revolution, then in Tennessee from statehood to World War II. The second part discusses the families, using pedigree charts, photographs, family group sheets, etc. The third part consists of appendices which cover wills, charts, census records, and maps. Among the related families are: Abernathy, Burton, Bustin, Carter, Cavaness, Cox, Curtis, Dalton, Davies, Gober, Gresham, Hadley, Harris, Lewis, Nolley, Richardson, Smith, Stone, Strong, Vaughan, Waller, and Wynne.

1860 CENSUS OF ROANE COUNTY, TENNESSEE published by the Roane County Genealogical Society. 1993. Soft cover, 8x11, 250 pp. Full name index. Order from The Roane County Genealogical Society, P.O. Box 297, Kingston, TN 37763. \$25.00 postpaid.

The genealogical society used a previous transcript, microfilm record, and an original copy of the census from the archives of the Roane County Heritage Commission to prepare this publication. Each entry has been copied as it appeared in the original and in the original order. The 1860 Slave Schedule follows the census. Although slaves were not named on the original, the name of the slave owner and the number of slaves are extracted from the Slave Schedule. The 1860 Mortality Schedule is copied in its entirety and indexed separately. A table of contents completes this easy-to-read and easy-to-use volume.

THE LONG BREWER LINE COLONIAL FAMILY GENEALOGY with Ancestors, Descendants and Connecting Families by Ben R. Brewer. 1993. Hardback, 9x11, 395 pp. Full name index. Order from Author, 607 Hatherleigh Ln., Louisville, KY 40222. \$46.00.

SUBSCRIBER BENEFITS INCLUDE

One query annually of 50 words or less published without charge in the magazine; paid queries or advertisements are not accepted for publication

Exchange privileges from the Society's Master Surname Index, a card file of ancestral information provided by subscribers; Self Addressed Stamped Envelope (SASE) required

GUIDELINES FOR QUERIES

Queries are published for subscribers only. Each subscriber is entitled to one query of 50 words or less per subscription year. You may forward a query with your subscription payment. Your query must:

1. be typed or printed plainly with no abbreviations; ask questions such as who, where, when
2. be submitted on a separate sheet of paper headed "Query"
3. have no more than fifty words
4. show your name and address on the sheet with your query
5. be received before 1 NOVEMBER of a subscription year for possible publication during that year

GUIDELINES FOR SURNAME INDEX CARDS

Subscribers are invited to furnish vital statistics on ancestors from any locality for the Society's Master Surname File. Use only 3 x 5 inch cards (no other size fits the file). Include your name and address; put the current date at the top right corner of each card; please list names and birth dates of subject's children on the back of the index card. Please use the sample card format shown below. You may want to keep a list of Index Cards you have submitted; and if there is a change in your address or information on any of your Surname Cards, you may send new cards with instructions to replace old cards. Index Cards are filed by ancestor surname.

Subscribers may request a search of the Surname Index File for ancestors and persons who could be researching the same name—only one family name for each request, please, and no more than one search request per month. **A long SASE is essential for return of information in the file.**

Each request must:

1. include surname and given name
2. give at least one date and one location (even if they are estimated)
3. have a legal size SASE

Two photocopy pages of 10 surname cards, if available, will be sent free of charge on subscriber request. More than two pages of photocopy cards, if available, will be sent for \$0.50 per page.
